2021-2022 Tuition Payment Plan Choice

Families are required to choose a method of payment for tuition. This choice is to be made at the time a student is registered. Three choices are described on this page. Call school office if you have any questions concerning these plans.

One of the payment options listed below must be checked and submitted at registration. The parent/guardian who will be responsible for tuition payments must sign this form.

Regardless if an application for STAY, YES, or another tuition assistance organization will be submitted, parents and/or guardians are responsible for the tuition amount until the funds have been released by the organization.

PLEASE PLACE A CHECK NEXT TO THE PAYMENT PLAN CHOICE YOU PREFER

_____ **Pay Tuition and extra-curricular activities using check/cash only:**

Tuition is due by the first of every month. If payments are not paid by the 10th of each month, a late fee will be charged to your account.

_____ **Pay tuition using credit/debit card or auto draft payment:** Tuition will be paid using one of these methods and we agree to pay the \$150 processing fee per child, due at time of registration.

_____ **ESA:** Families receiving the ESA grant must provide the school with the award letter from the ESA stating the amount of funds to be received. A processing fee of \$150 per child will be charged, due at time of registration.

Late Fees: Tuition is due on the 1st of each month. A late fee of \$25 per month will be added to your account if your payment is received after the 10th of each month.
