Families are required to choose a method of payment for tuition. This choice is to be made at the time a student is registered. Three choices are described on this page. Call the school office if you have any questions concerning these plans.

One of the payment options listed below must be checked and submitted at registration. The parent/guardian who will be responsible for tuition payments must sign this form.

Regardless if an application for STAY, YES, or another tuition assistance organization will be submitted, parents and/or guardians are responsible for the tuition amount until the funds have been released by the organization.
